- There are more than **6,000** industrial enterprises operating in the Republic.
- ¼ of the region's industrial resources come from the mechanical engineering sector and metallurgy: engines for rockets and aircraft, concrete mixer trucks, buses, all-terrain vehicles, helicopters, oil field equipment.

## MECHANICAL ENGINEERING EXHIBITION SECTIONS

- Products of machine-building enterprises
- Additive technologies. Industrial 3D Printing
- Production 4.0
- Welding equipment and materials
- Control and measuring equipment
- Robotization and automation of production
- Investment projects, leasing
- Protective equipment

## METALWORKING

- Metalworking machines. Tool
- Laser equipment
- Components and products, technological equipment
- CAD/CAM system software
- Surface treatment equipment and technologies

## INNOVATIVE POTENTIAL OF UFA EXHIBITION

is an exposition of industrial enterprises, products of machine-building enterprises, technology parks, industrial parks, clusters

## RESULTS OF 2025:

- **100** companies participating in exhibitions
- **15** regions of Russia
- **50+** pieces of equipment in operation
- The exhibition area is **8,000 sq.m**
- Participating countries: Russia, Belarus, China

# RUSSIAN INDUSTRIAL FORUM

## PLENARY SESSION

### INDUSTRY TRACKS BY DESTINATION

- Industrial robotics
- Digitalization of Industry: Best Practices for Implementing High-Tech and Engineering in Enterprises
- Interregional cooperation
- Welding and control in Russia
- Machine tool industry and innovative engineering
- Successful lean manufacturing practices in industrial enterprises
- Development of additive technologies in industry
- Standardization and conformity assessment
- Laser technologies in enterprises
- UAVs: production, infrastructure development, industry regulation
- Occupational safety at enterprises
- Import substitution mechanisms for production
- Industrial safety

## SUPPLIER'S DAY BUSINESS MEETINGS

## TECHNOLOGICAL TOURS TO INDUSTRIAL ENTERPRISES

## RESULTS OF THE 2025 FORUM:

- Welding and Control Forum
- Occupational Safety and Industrial Safety Forum
- Robotics Forum
- Additive Technologies Forum
- **40** business program events
- **220** speakers
- Foreign countries: Belarus, Kyrgyzstan, Uzbekistan
- **2,218** delegates-listeners
- Participation of 15 professional associations and unions
- Participation of delegations from **20** ministries and industrial development funds of the constituent entities of the Russian Federation
